Comments (add additional sheets where necessary):

This station has elected Option 2, which measures compliance on an average weekly basis. The outreach rules were effective for just one day in the 1st quarter of 2008, Monday, March 31. As the other days of that week either predate the effectiveness of the outreach rules, or are within the 2nd quarter of 2008, the station had no compliance obligation for this day or the 1st quarter. Rather, its actions on the one day in the 1st quarter should be considered within the 2nd quarter measurements.

This station is a 100% satellite station of WSVI-TV, and passes through all programming shown by that station, as well as depends upon WSVI-TV personnel. This station does not engage in any separate informational efforts. Its transmitter is located on the island of St. Thomas, which is over 40 miles away from the island of St. Croix which hosts WSVI-TV. Accordingly, non-broadcast outreach efforts on behalf of WZVI-DT are impracticable and duplicative.

SUBJECT: ABC's Support of DTV Consumer Education Plan (Disregard earlier message and retain the attached)

SENT: Wednesday, March 26, 2008 10:18:00AM High

March 26, 2008

Dear ABC Affiliate,

As you may know, the DTV Consumer Education Plan went into effect on Monday, March 24, 2008. ABC has been supporting this plan through a PSA initiative since November of 2007. Given the recent FCC Order, we thought it would be helpful to outline our going-forward plan on the ABC Television Network so that you may take full advantage of our efforts in meeting your requirements. Beginning the week of March 31, 2008 ABC will be airing the following weekly schedule of closed captioned DTV Consumer Education Plan PSA's:

-One (1) :30 or two (2) :15 second spots Monday-Sunday 6pm-11pm ET/PT (5pm-10pm CT/MT)

-One (1) :30 or two (2) :15 second spots Monday-Sunday 5am-1am

The Network is also providing the following weekly schedule of "in-program lower 1/3 screen banners" (referred to as crawls, snipes or tickers within the FCC Order) to lend support to the message and direct viewers to additional information. These are the only authorized crawl, snipes or tickers during Network programming. Stations may not schedule their own crawls, snipes or tickers during Network shows.

-Two (2) "in-program lower 1/3 screen banners" Monday-Sunday 6pm-11pm ET/PT (5pm-10pm CT/MT)

-Four (4) "in-program lower 1/3 screen banners" Monday-Sunday 5am-1am

We will provide you with advance notice of the placement of these elements and keep you informed as to any possible changes to the plan.

Please contact your Station Relations Representative with any questions or comments.

SUBJECT: ABC's Support of DTV Consumer Education Plan - Update

SENT: Wednesday, April 02, 2008 07:55:00PM Normal

April 2, 2008

Dear ABC Affiliate,

Following up on our advisory from March 26th, 2008 (ACS #5), we thought it would be helpful to provide additional details on ABC's support of the DTV Consumer Education Plan.

Until further notice, beginning the week of March 31st, 2008, ABC will be airing the following weekly schedule of closed captioned DTV Consumer Education Plan PSAs:

- One (1) :30 spot in the "ABC Saturday Movie of the Week."
- One (1) :30 spot in "Good Morning America" on Fridays, 8:30am - 9:00am ET/PT.

As previously advised, the network will be providing a weekly schedule of in-program lower 1/3 screen banners (referred to as crawls, snipes or tickers within the FCC order).

- Two (2) "in-program lower 1/3 screen banners" in Primetime programming.
- Four (4) "in-program lower 1/3 screen banners" in Daytime programming

A weekly advisory regarding the placement of the lower 1/3 screen banners will be sent to Sales/Marketing and Community Affairs via ACS and be available on www.abcnet.com in the Public Affairs/Legal section on Mondays. Again, these are the only authorized crawl, snipes or tickers during Network shows.

ABC will provide a quarterly report on the Wednesday following the end of the quarter. This report lists when and where DTV PSAs and lower 1/3 screen banners aired on the ABC Television Network. We expect to send the first of these reports on Wednesday, July 2, 2008. It will be sent via ACS and be posted on www.abcnet.com in the Public Affairs/Legal section. As a reminder, this information should be combined with local requirements in your station's FCC filing.

We will keep you informed as to any possible changes to the plan. Please contact your Station Relations Representative with any questions or comments.
